

# Fayette County Farm Bureau 2021 School Garden Reimbursement Grant Application

Since spring 2014 Fayette County Farm Bureau has offered an opportunity for local educators to apply for a school garden grant geared towards gardens that promote healthy eating in connection with agricultural education. We realize that learning is virtual still this year but we would like to offer you the opportunity to use these funds to purchase supplies and items for an upcoming garden or project once in person learning resumes. You must purchase items during the 2021 calendar year to be reimbursed for the funds. Educators are encouraged to submit applications for garden supplies **by January 31, 2021** to be considered for up to \$300. The winner(s) of the grant will be announced in March 2021.

Please mail or email applications to:

Fayette County Farm Bureau  
c/o Carrie McIntosh  
1316 Versailles Rd.  
Lexington, KY 40504  
[carrie.mcintosh@kyfb.com](mailto:carrie.mcintosh@kyfb.com)

Note: Grant funds may only be applied to garden supplies purchased for 2021. **Checks will only be paid to the school, not an individual. Completed applications must be submitted to Carrie McIntosh by January 31, 2020.** If awarded the school will be required to submit a photo(s) of the garden/ project.
